Dear Parents

As you are aware we offer a wide range of after-school clubs led by our staff. I would now like to tap into our parents' expertise to widen the range even further.

If you have a particular sport or hobby – photography/music/sewing for example that you would be willing to share with the children then I would love to hear from you. I would also be prepared to find and pay for coaching if there is a particular sport that you feel the children would enjoy.

Please complete and return the slip below if you would be available for one day per week from 3.15 – 4.15 p.m., to run a club for us. I look forward to hearing from you.

Yours sincerely
